B2C Meetings

Hybrid Event Platform

September 13 - 15, 2023

Abstract Submission Deadline

August 15, 2023

Together we can create innovative and clean technologies to Environmental issues.

The goal of the conference is to improve the sharing of knowledge (on clean technologies; energy sources/management; carbon footprint; economic models and policies) at the international level, so that politicians, entrepreneurs and other stakeholders are aware of hidden threats and new opportunities in the field of environmental technologies.

Conference Tracks
