

ACHLESH DAVEREY, Ph.D.

Assistant Professor

Contact Information

Room no: 112, Faculty Offices
School of Environment and Natural Resources

[Doon University](http://www.doonuniversity.ac.in),

Dehradun - 248001

Uttarakhand, India

E-mail: ach15may@gmail.com; achlesh.senr@doonuniversity.ac.in

Phone: + 91 8006453578

ORCID: 0000-0003-4480-0141

Webpage: https://www.doonuniversity.ac.in/index.php/SENR/faculty_details/8

Google Scholar: <https://scholar.google.co.in/citations?user=YEDq6YIAAAA&hl=en>

Research Interests

- Biological wastewater treatment, Biological nitrogen removal (Anammox Process)
- Bioremediation, Phytoremediation/Constructed Wetlands
- Waste valorization for value-added products (Biosurfactants, Biochar, Bioenergy)
- Bioprocess Design, Optimization & Kinetics

Career Highlights

- **Assistant Professor**, School of Environment & Natural Resources, Doon University, Dehradun, India. (Jul 2015 – present)
- **Postdoctoral Research Fellow**, Institute of Environmental Engineering, National Chiao Tung University (NCTU), Hsinchu, Taiwan. (2011 –2014)
- **Guest Faculty** (at the level of Assistant Professor), Centre for Biotechnology, School of Earth, Biological & Environmental Sciences, Central University of South Bihar, India. (2010 –2011)

Academic Positions:

- **Coordinator**, School of Biological Sciences, Doon University, Dehradun, India. (Sept 2021 – present)
- **Coordinator**, M. Tech. Environmental Technology, School of Environment & Natural Resources, Doon University, Dehradun, India. (2017 – present)

Education

- **Doctor of Philosophy** (Biotechnology), Indian Institute of Technology Guwahati (IITG), Guwahati, India, Jan, 2011.
- **Master of Technology** (Bioprocess Technology), Mumbai University Institute of Chemical Technology (Now ICT, Mumbai), Mumbai, India, 2006.
- **Bachelor of Pharmacy**, Hemwati Nandan Bahuguna Garhwal University, Srinagar, Garhwal, India, 2004.

Research/Consultancy Projects (Completed)

- *Studies on Sophorolipids (Biosurfactant) Induced Phytoremediation of Heavy Metal Contaminated Soil.* 2018-2021 (38.68 Lakh, Sponsored by SERB, Govt. of India). Role: PI
- *Enrichment of anammox bacteria and start-up of Simultaneous Partial Nitrification, Anammox and Denitrification (SNAD) process from non-acclimated sludge.* 2017-2020 (10.0 Lakh, Sponsored by UGC, Govt. of India). Role: PI.
- *National Mission on Himalayan Studies Fellowship Projects* (2.39 Crore, Sponsored by MoEF&CC, Govt. of India) Role: PI of four JRFs projects (Total 10 JRF and 03 RA).
- Consultancy Project: “*Training and holding for CSP Preparation, Uttarakhand.*” Support to the National Urban Sanitation Policy (SNUSP)-II (Project. No. 2013.2110.8-001.00) funded by GIZ. Role: Trainer
- Consultancy Project: Organizing International Exchange Workshop on SARS-CoV-2 Monitoring in Wastewater systems. (MGC/2021/GIZ/03) funded by GIZ under the Indo German Development Cooperation project “*Support to Ganga Rejuvenation*” (SGR). Role: Associate Expert & Resource Person

Editorial & Peer-review Experience

- **Editor of Book (Lead)** “*Advances in Yeast Biotechnology for Biofuels and Sustainability: Value-Added Products and Environmental Remediation Applications*” published by **Elsevier**. Editor: **Dr. Achlesh Daverey**, Dr. Kasturi Dutta, Dr. Sanket Joshi, Dr. Teresa Gea. (2023). (ISBN: 9780323954495)
- **Editor of Book** “*Development in Wastewater Treatment Research and Processes: Bioelectrochemical Systems for Wastewater Management*” published by **Elsevier**. Editor: Dr. Maulin P. Shah, Dr. Susana Rodriguez Couto, Dr. Ashok Kumar Nadda and **Dr. Achlesh Daverey**. (ISBN: 9780323885058).
- **Associate Editor: *Water Practice & Technology*** (IWA) (2022- till date)
- **Editorial Board Member: *International Biodeterioration & Biodegradation*** (Elsevier) (2021 – till date); ***Industrial Biotechnology*** (Mary Ann Liberty) (October 2022- till date); ***SN Applied Sciences*** (Springer) (2018- till date); ***Environmental Quality Management*** (Wiley) (Jan 2023-).
- **Guest Editor: *International Biodeterioration & Biodegradation*** (Elsevier); ***Biocatalysts and Agriculture Biotechnology*** (Elsevier); ***Environmental Science and Pollution Research*** (Springer); ***Ecotoxicology*** (Springer); ***Applied Biochemistry and Biotechnology*** (Springer); ***Environmental Monitoring and Assessment*** (Springer); ***SN Applied Sciences*** (Springer); ***Sustainability*** (MDPI); ***Environmental Quality Management*** (Wiley); ***Frontiers in Microbiology*** (Frontiers)
- **Review Editor: *Frontiers in Microbiology*; *Frontiers in Water***
- **Journal invited Reviewer-** *Water Research*; *Chemical Engineering Journal*; *Journal of Hazardous Materials*; *Journal of Cleaner Production*; *Bioresource Technology*; *Science of the Total Environment*; *Environmental Technology & Innovation*; *International Biodeterioration & Biodegradation*; *Chemosphere*; *Journal of Water Process Engineering*; *Environmental Science & Pollution Research*; *Critical Reviews in Biotechnology*; *Trends in Biotechnology*; *Biofuels*; *Process*

Biochemistry; Microbial Ecology; International Journal of Hydrogen Energy; Applied Biochemistry & Biotechnology; 3 Biotech; Water Air & Soil Pollution; Clean: Soil, Air, Water etc.

Awards/Scholarships/Academic Achievements

- Received “**Governor’s Research Award 2021**” for the Best Research Work in Science & Technology for the year 2021 from Hon’ble Governor of Uttarakhand (**21st April 2023**).
- Received “**Hiyoshi Environmental Award 2022**” from Hiyoshi Corporation, Japan for the outstanding contribution for the fundamental research on Environmental Conservation and Protection in India (November **2022**).
- Received the “**Excellence in Research of the Year-2022**” award from the Hon’ble Chief Minister of Uttarakhand (5th September **2022**) (UCOST & Divya Himgiri, Uttarakhand).
- **Enlisted in the top 2% Scientists of the World (single year 2020) prepared by Stanford University, 2021.**
- Received the “**Best Researcher of the Year 2021 Award**” from the Vice Chancellor, Doon University, Dehradun, India.
- Awarded **Postdoctoral Fellowship** from National Science Council (NSC), Taiwan and National Chiao Tung University, Taiwan (Jun 2011-Feb, 2014).
- Awarded the **Best Poster Award** under young scientist category in the 5th CESE conference held during 9-13th Sep, 2012, Melbourne, Australia.
- Awarded with full financial support (*Twice*) under the “**ITS**” scheme by the Department of Science and Technology (DST), India, for presenting research work in the “CESE” Conference held at Kunming, China, in Nov **2017** and “BioMicroWorld” Conference held at Lisbon, Portugal, in Dec **2009**.
- Selected for **Outstanding Post-Doctoral Researchers from China and India** (*Selected to pursue postdoc at Tel Aviv University but fellowship not availed*) in 2015 from Planning and Budgeting Committee, Council for Higher Education in Israel.
- **Member (Lifetime Full Member)**, International Society for Development and Sustainability (ISDS), Japan (2021-)
- **Member**, International Association of Hydrological Sciences (IAHS), U.K. (2020 -)

List of Publications

(A) Books

1. “Advances in Yeast Biotechnology for Biofuels and Sustainability: Value-Added Products and Environmental Remediation Applications”. Editor: **Dr. Achlesh Daverey**, Dr. Kasturi Dutta, Dr. Sanket Joshi, Dr. Teresa Gea. **Elsevier, Netherlands (2023)**. (ISBN: 9780323954495)
2. “Development in Wastewater Treatment Research and Processes: **Bioelectrochemical Systems for Wastewater Management**”. Editors: Dr. Maulin P. Shah, Dr. Susana Rodriguez Couto, Dr. Ashok Kumar Nadda and **Dr. Achlesh Daverey**. **Elsevier, Netherlands (2022)** (ISBN: 9780323885058).

Keynote lectures/Invited Talks/Special Lectures Delivered

1. Delivered an invited lecture on “Anammox Process: A Sustainable Method for N Removal from Wastewater” in a one-day Symposium on “Remediation of Wastewater and Emerging Contaminants” organized by IISER Kolkata at Kolkata, India on 19th February **2023**.
2. Delivered a Keynote lecture on “Innovative approaches in algal biomass pretreatment for the production of bioethanol” in the 5-day workshop on “Technical insights of ethanol fermentation: 1 G and 2 G” held at NIT Rourkela, India (January 27 to 31, **2023**).
3. Delivered a Guest Lecture [*virtual*] on “Anammox Process for Sustainable Wastewater Treatment” in a Two-Weeks Refresher Course on Environmental Science (Interdisciplinary) for University and College lecturers organized by UGC-HRDC University of Jammu, **India** on 5th January 2023.
4. Delivered a Keynote Lecture on “Anammox – Start-up Challenges and Applications in Nitrogen Removal from Wastewater” in an “International Symposium on Sustainable Urban Environment” (ISSUE 2022) held on 13-14 October 2022 at UPES, Dehradun, **India**.
5. Invited to deliver a talk on “Anionic Surfactants: Environmental Toxicity and Remediation Methods” in an Indo-German Science and Technology Center (IGSTC) supported workshop “SuWaRec: Securing sustainable treatment for drinking water production and water recycling with focus on anionic contaminants” at Hamburg University of Technology (TUHH), **Germany** during 20th – 22nd July **2022**.
6. Delivered an invited talk on “Sphorolipids induced phytoremediation of heavy metal contaminated sites” in the 3rd International Conference on Bioprocess for Sustainable Environment and Energy (ICBSEE-INDIA-2022) held at NIT Rourkela, **India** on 20-24 June **2022**.
7. Delivered an invited talk on “Utilization of pine needle biomass for environmental sustainability” in a National Conference on Society, Environment and Sustainable Development (NCSESD-2022) held at Government College Nagrota Bagwan, Kangra, **India** during March 16-17, **2022**.
8. Delivered an invited talk [*virtual*] on “Valorization of waste pine needles for environmental remediation” in an International Conference on “Current Trends in Waste Treatment, Reuse & Valorisation” held at Sandip University, Nashik, **India** on February 25-27, **2022**.
9. Delivered an invited talk [*virtual*] on “Valorization of waste biomass as biochar to enhance phytoremediation of metal contaminated soil” in an International Conference on “Advances in Energy, Environment for Sustainable Development” (AEESD-2022) held at Siksha ‘O’ Anusandhan (Deemed to be University) Bhubaneswar, **India** on January 7-8, **2022**.
10. Delivered a talk on “SARS-CoV2 in Wastewater: Challenges for Developing Countries” at International Exchange on Monitoring of SARS-CoV-2 in Wastewater, organized by GIZ under the Indo German Development Cooperation project “Support to Ganga Rejuvenation” (SGR) in cooperation with National Mission for Clean Ganga (NMCG), **India** on 11-12 November **2021**.
11. Delivered an invited talk on “Sphorolipid: A potential biosurfactant for environmental applications” at 2nd International Conference on Bioprocess for Sustainable Environment and Energy (ICBSEE-INDIA-2020) held at NIT Rourkela, **India** on 05-07 March **2020**.
12. Delivered an invited talk on “Effects of biosurfactant amendment on the plant’s growth and heavy metal stress” at National Conference “Recent Advances in Energy, Environment and Health

Sciences” (RAEEHS-2019) held at Siksha ‘O’ Anusandhan (Deemed to be University) Bhubaneswar, **India** on October 18-19, **2019**.

13. Delivered an invited talk on “Utilization of noxious weed *Lantana camara* for its management” at International Conference on Bioprocess for Sustainable Environment and Energy” (ICBSEE-2018) held at NIT Rourkela, **India** on 6-7 December **2018**.
14. Delivered an invited talk on “Sophorolipids: Production & Applications” at a workshop “Challenges and Advances in Novel Drug Delivery System” Organized by Institute of Research Development Training (IRDT) at Government Polytechnic Piyhuwala, Dehradun, **India** on 26th May **2016**.
15. Delivered an invited lecture on “Water and Wastewater Analysis: Sampling, Storage & Analysis” at a One Day Training Workshop on “Modern Analytical techniques in Environmental Science” organized by Doon University, **India** on 17th May **2016**.
16. Delivered an invited lecture on “Anammox: Process Assessment and Applications in Treating Real Wastewaters” in the 2nd Symposium on “Biological Nitrogen Removal Mechanisms and Process Analysis” of Environmental Engineering Symposium Series at Institute of Environmental Engineering, NCTU, **Taiwan**, 1^{4th} Jan **2013**.
17. Delivered an invited lecture on “Nitrous oxide emission during biological nitrogen removal from wastewater” in the Symposium on sustainable wastewater treatment: microbes & environment at Institute of Environmental Engineering, NCTU, **Taiwan**, 2nd Nov **2011**.
18. Delivered a talk on “Commercial production of biosurfactants - obstacles and possible solutions” in a “Biotalk a lecture series” at Department of Biotechnology, IIT Guwahati, **India**, 11th Sep **2009**.
